

DNR Brownfield Site Assessment Grant Applicants Fall 2006, Round 8

The RR Program has received 98 applications for the Brownfields Site Assessment Grant (SAG) Program. Applicants applied for \$4.44 million in funding for the current round of grants. However, only \$1.7 million is available for this fiscal year (2006-2007).

Applicants requested \$1.82 million in small grants and \$2.62 million in large grants. Small grants range between \$2,000-\$30,000 and large grants range from \$30,001-\$100,000. This is the eighth round of SAG grants, created in 1998 by the State Legislature based upon recommendations from the Brownfields Study Group.

The funding has helped communities begin investigation and cleanup activities nearly 1,000 acres in 150 communities across the state since 2000. These activities include 570 site assessments and investigations, the removal of more than 400 underground storage tanks and the demolition of more than 370 structures and buildings.

Small Grants (\$2,000 up to \$30,000)

<u>Cities, Towns, and Villages</u>	<u>Project Name</u>	<u>Grant Size</u>
• City of Algoma	Former Metal Ware-Riverfront Redev.	\$30,000
• City of Antigo	Rasmussen Site	\$30,000
• City of Antigo	Musolff Site	\$30,000
• City of Antigo	McMillon Hotel	\$30,000
• Village of Bangor	Bangor Dutch Creek Redev.	\$30,000
• City of Black River Falls	Winnebago North	\$30,000
